4 December 1978

MEMORANDUM FOR: Director of Security

FROM:

[REDACTED]
Acting Chief, Special Security Center

25X1

SUBJECT:

25X1

1. The following is an updated accounting of the inventory efforts to locate and account for the [REDACTED] remaining copies of the Subject manual. [REDACTED]

25X1

25X1

2. As of this date, [REDACTED] copies have been personally accounted for by a responsible officer or verified as destroyed by records or written reports. The [REDACTED] copies currently unaccounted for are noted below as being charged to the following agencies:

25X1

25X1

CIA
Army

[REDACTED]
[REDACTED]

25X1

25X1

3. Within CIA, components unable to account for copies are:

COMIREX
DCI
NFAC
OD&E/S&T

[REDACTED]

25X1

Each of the above offices has submitted reports noting the actions that have been taken to locate the unaccounted for copies. Each component has indicated that a safe-by-safe search has been conducted, as requested by the undersigned; however, these efforts have met with negative results. [REDACTED]

25X1

4. Two possibilities remain to be explored; (1) that certain copies may have been cannibalized for the production

ORIGINAL COPY [REDACTED]

25X1

of various forms of graphics, and (2) that individuals transferring from one office to another retained possession of a borrowed copy without leaving a record of such movement. These possibilities are currently being explored by COMIREX and OD&E/S&T. ☐

5. It should be noted that DIA has completed their accounting, having located copy ☐ within their headquarters. The Department of Army has reported that all efforts have been exhausted in trying to locate copies ☐ and all indications are that they were destroyed. ☐

6. As a matter of record, I have made inquiries at the Office of Management and Budget, the National Security Council and the Office of Science and Technology Policy as to whether any copies are being retained in their respective registries or by individuals. In each instance the response after search, has been negative. ☐

7. I will keep you advised of the efforts being pursued by COMIREX and OD&E/S&T noted above. ☐
